About Blue Heron

INTRODUCTION

Blue Heron Introduction

Blue Heron in Las Vegas integrates innovative design, architecture, and construction to create Vegas Modern™ Homes and communities that embody modern elegance and elevated living. Complementary services include bespoke interior design, expert real estate brokerage, and strategic land development, ensuring a seamless and comprehensive services with one source of accountability.

Product Offerings:

- Pre-designed Custom Communities
- Premium Spec Homes
- Custom Homes
- Interiors
- Client Service

A HISTORY OF

Imagination & Ingenuity

For 20 years, Blue Heron has led the way in residential design and construction, revolutionizing how we live, work, and rejuvenate. As a full-service architecture, interior design, and construction firm, Blue Heron is acclaimed for its innovation, craftsmanship, and client services, resulting in nationally recognized homes.

Discover how Blue Heron's design-build services can create an extraordinary home that transforms the way you live.

Tyler, a fourth-generation Nevadan from Las Vegas, learned construction from his father, founder of Merlin Custom Home Builders. After studying architecture, he founded Blue Heron in 2004, developing the distinctive Vegas Modern™ design philosophy.

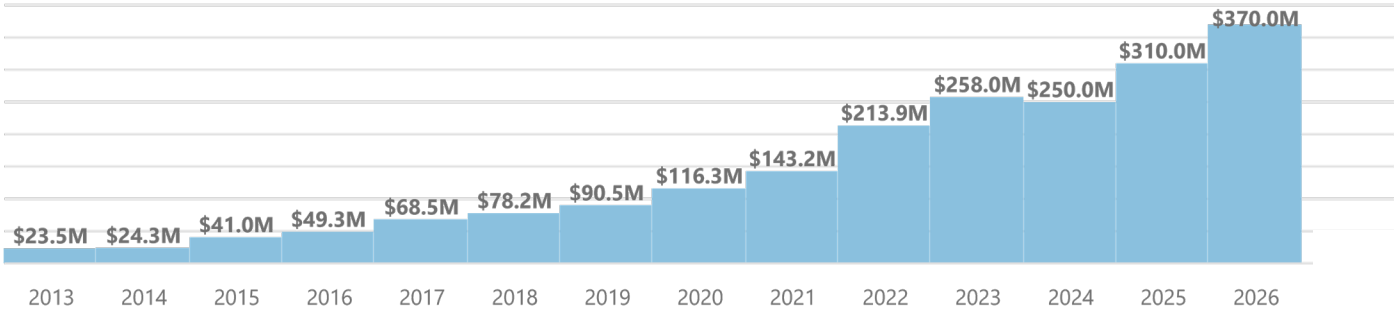

Committed to innovation, Tyler continues to push boundaries with his talented team, fostering a culture of collaboration and inspiration. Under Tyler's leadership, Blue Heron has received numerous design awards and achieved Platinum LEED and Emerald certifications.

- Sophisticated Marketing and Branding
- Commitment to craftsmanship and quality

CLIENT VALUE CREATION

- Innovative design philosophy
- High brand equity and resale value
- Engaging, white glove bespoke client process
- Intelligent technology integration
- Biophilic design and longevity insights

One-Stop-Shop Offering

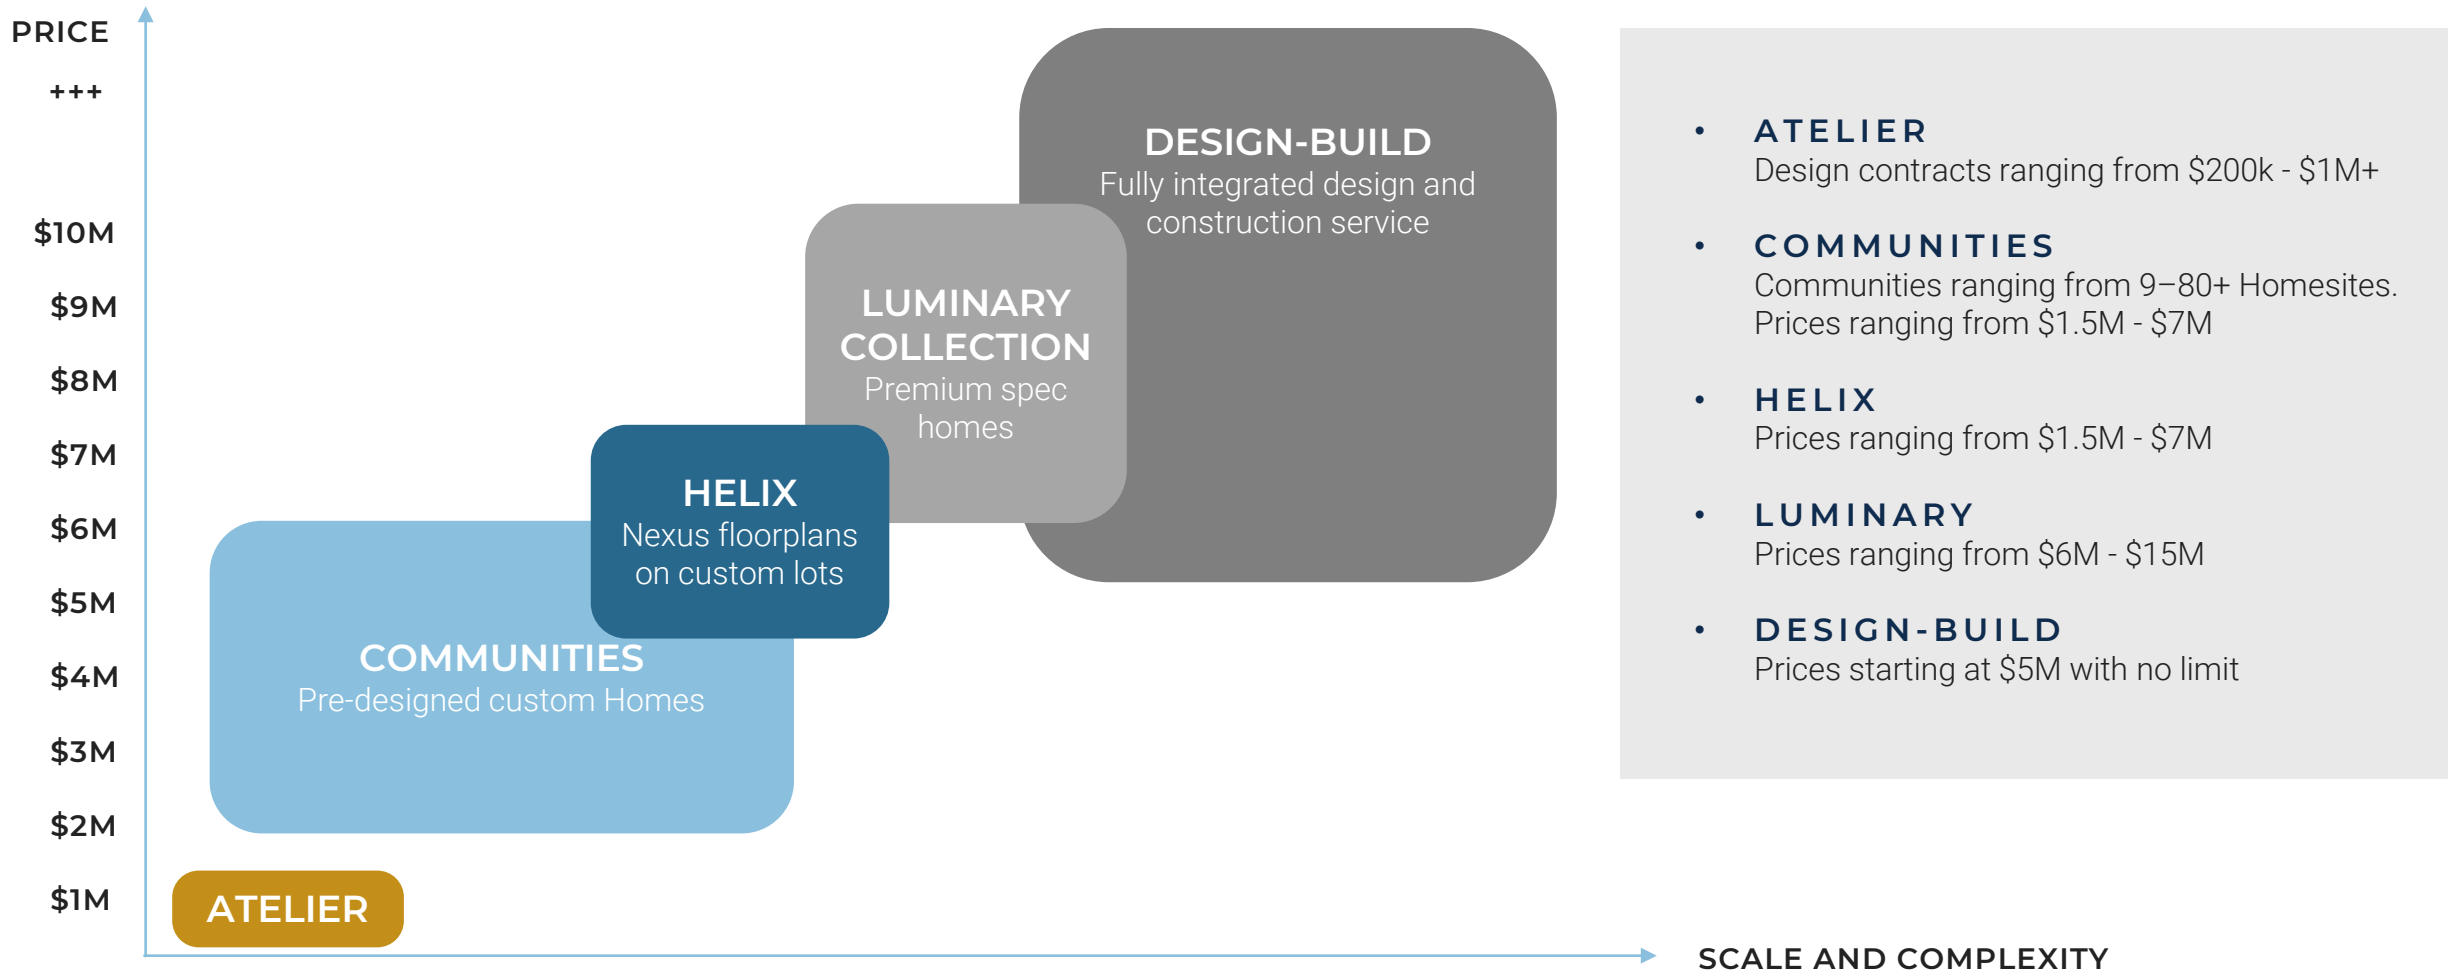

Blue Heron offers a comprehensive range of services that streamline luxury home creation, combining design, architecture, and construction into a seamless experience.

The **Elite Design-Build** service merges custom architectural design with construction to create personalized masterpieces. The Elite Luminary Collection introduces unique spec homes that embody modern elegance. The **Nexus** division focuses on thoughtfully pre-designed custom homes that emphasize community connectivity and biophilic design, integrating natural elements.

Atelier provides bespoke interior services tailored to individual tastes, encompassing fine art, furnishings, and outdoor spaces for both Blue Heron and non-Blue Heron clients.

Blue Heron's Brokerage service lists their homes, while their Land Development team strategically selects and develops prime locations for high-quality residential communities.

Product Portfolio

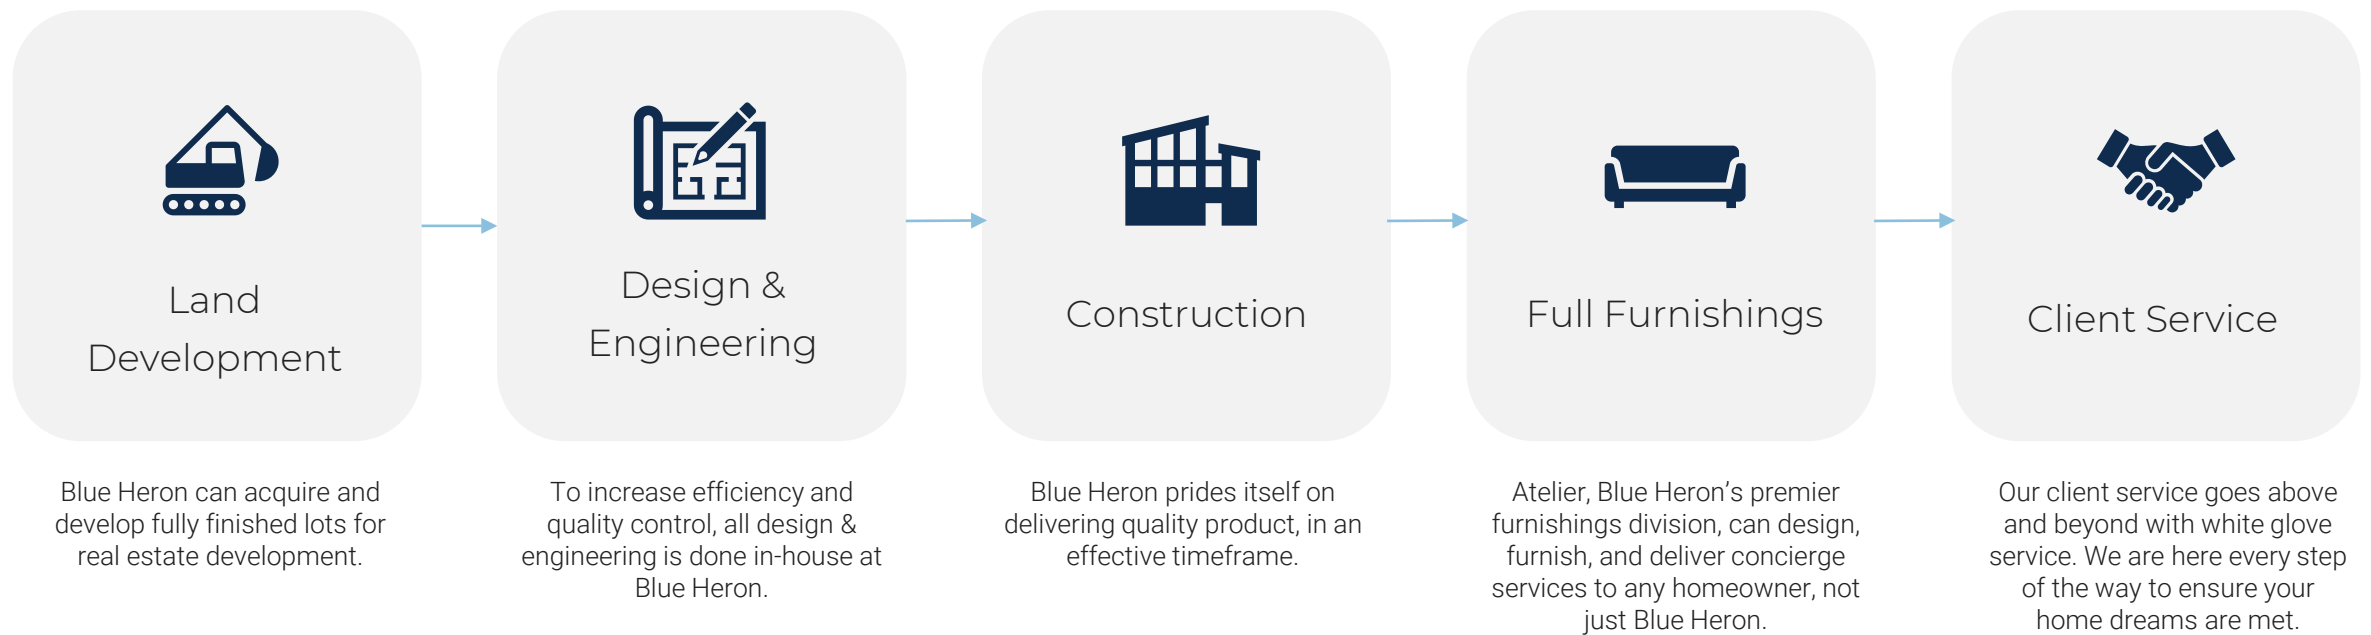

Operational Efficiency

Blue Heron is a true market differentiator by acting as both a full stack developer and post-completion service provider.

Keeping all development and post-development phases in-house allows the organization to stay hyper efficient, lean, and scalable.

All systems are integrated with one another to allow a seamless production process.

Blue Heron's Value Add

Vantage Community

Lake Las Vegas, Henderson NV

\$1,800,000+

JV Returns – 23%+ IRR | 1.51x Equity Multiple

Prior to the development of Vantage, the neighboring communities had home prices with an average sales price of \$710,000. The Vantage community had prices starting at \$1,800,000 and the show home sold at \$3,200,000. Vantage not only came in at a 250%+ value increase, but also increased the neighboring communities by increasing their average sales prices to \$1.17m.

Sea Ridge

Birdrock Waterfront, La Jolla, CA

\$20,000,000

LP Investor Returns – 22%+ IRR | 1.49x Equity Multiple

Sea Ridge is a premier spec home built in the exclusive Birdrock Waterfront community in La Jolla, CA. Sea Ridge broke the sales price record in Birdrock, and was a testament to Blue Heron creating value in new markets. The Sea Ridge deal generated reliable preferred returns and profit splits for our LP investors.

Blue Heron's Value Add

Vegas Modern 001

MacDonald Highlands, Henderson, NV

\$25,000,00

LP Investor Returns – 29.26% IRR | 1.41x Equity Multiple

Vegas Modern 001 was Blue Heron's first Icon Project and broke the all-time Las Vegas sales record by achieving a \$25,000,000 sales price. Prior to the development of Vegas Modern 001, the highest sale price in Las Vegas was \$17,550,000. Blue Heron currently leases VM001 for marketing purposes until VM002's completion. VM001 is currently listed for \$34,000,000.

Vestige

MacDonald Highlands, Henderson, NV

\$14,600,000

LP Investor Returns – 60.02% IRR | 1.72x Equity Multiple

Vestige, originally built as a spec home, was sold to the world-champion boxer Oscar De La Hoya. Vestige was a part of our Luminary collection. Since Oscar's purchase, he has now relisted Vestige at \$20,000,000. Boasting a 37% increase in re-sale value

Market Niche

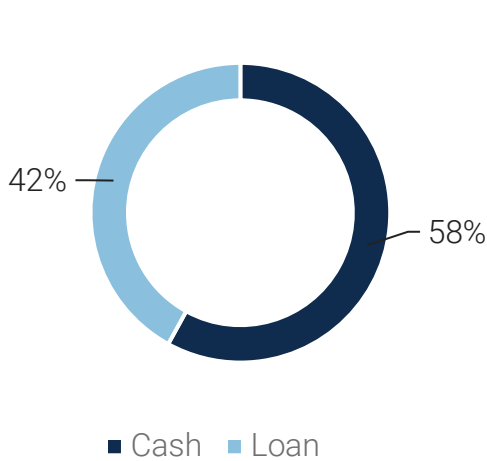

*Based off Las Vegas' pricing

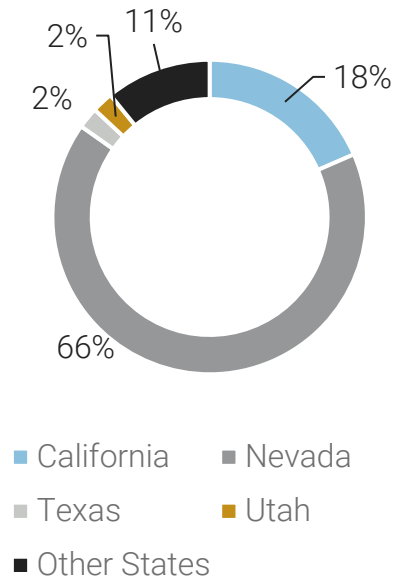

Blue Heron has carved out a unique niche in the residential real estate market, bridging the gap between mass-production builders and small, bespoke design-build firms. This allows Blue Heron to serve a diverse clientele with both high-end, semi-customizable homes and fully customized multimillion-dollar residences. By scaling personalized services, Blue Heron meets the needs of High-Net-Worth clients, offering a distinctive value proposition that small firms often can't match..

OVERVIEW

Meet Our Key Leadership Team

Investing with Blue Heron means partnering with a team dedicated to excellence and innovation. The executive leadership team brings visionary approaches to modern living, combining strategic development, operational excellence, bespoke design, and cutting-edge marketing to create personalized, high-end experiences and a strong market presence.

CEO & FOUNDER

Tyler Jones

Tyler Jones shapes the firm's culture and vision. A Las Vegas native, he learned construction from his father and studied architecture at the University of Colorado Boulder. In 2004, he founded Blue Heron, pioneering the Vegas Modern™ design philosophy. Under his leadership, Blue Heron has won numerous design awards and achieved top environmental certifications.

CHIEF FINANCIAL OFFICER

Jon MacIntyre

Jon MacIntyre oversees financial operations and strategies. He has spent 20+ years in real estate, finance, operations, and accounting. Jon was previously CFO at HBC Properties and Investments and Deputy CFO at WeWork. He started his career at PwC and MF Global, working on IPOs. He also founded a non-profit focused on unity and positive experiences.

CHIEF EXPANSION OFFICER

Chris Beucler

Chris Beucler brings nearly forty years in homebuilding and development, focusing on creating community-centric living spaces. He was COO at Zephyr Partners, and founded Beucler Signature Homes, building award-winning custom homes. He was also Division President of Ryland Homes, delivering over 4,200 homes.

CHIEF MARKETING OFFICER

Sabine Brown

Formerly Head of Marketing for Rolls-Royce Motor Cars Americas, she launched iconic products and drove significant growth. With 15 years at Rolls-Royce and experience as Growth Strategy Consultant, Sabine brings extensive expertise in brand strategy, client experience, experiential and digital marketing to Blue Heron.

PRESIDENT, BH ATELIER

Hedy Woodrow

Hedy brings thirty years of luxury experience in retail, design, and product development to her role. She oversees all interior projects across Blue Heron's divisions, ensuring each one reflects a highly personalized and seamless blend of architecture, design, fine art, and five-star quality of service.
